Juju Premier Palace Hotel Kemer, Antalya- TÜRKİYE

*Sustainable Machining  
Modelling of Machining Operations  
Mechanics, Dynamics and Stability of Machining  
Optimization in Machining Operations  
AI, Data-Driven and Digital Twin Applications in Machining  
VR / AR Applications in Machining Processes  
Advanced CAM Applications  
Micro and Nano Machining  
Machinability of Materials  
Surface Integrity  
Cutting Tool Technologies  
Abrasive Processes  
Machine / Tool Design  
Nonconventional and Hybrid Machining Processes*
